Call for signatures: End Israeli Apartheid Against Palestinians

[#Anti-Imperialism](#)

juillet 14, 2023

Sign, share and build public support to this call on Member States at the upcoming United Nations General Assembly to step up and reactivate the Special Committee Against Apartheid. In doing so, we will strengthen the conditions for ending Israeli Apartheid against Palestinians.

This Special Committee can play a pivotal role in the global struggle against racism by building mechanisms under international law to suppress and punish this crime against humanity. This is an action supported by the International Peoples' Assembly (IPA), Boycott, Divestment, Sanctions (BDS) and many other networks fighting for an end to apartheid against the Palestinian people.

Read and sign the letter in English, Arabic, Spanish, and Portuguese [here](#).
